Power Needed:	

All vendors must abide by the contract between the Renter and Venue and have all necessary permits and licenses to operate.

Must provide own 10x10 tent, table, table cover, chairs and light (if needed).

No vehicles are allowed on sidewalks. Vehicles are only allowed on the roads for load-in/load-out.

All food vendors cooking onsite must have mats, plywood, or cardboard to cover grease and spills over prep and serving areas and under all engines to avoid possible leaks.

Decorations must be free standing or damage free.

No staking is allowed at The Gateway. All tents and canopies must have weights attached to each leg and cannot be placed on garden beds or tied down to any railing or tree.

Garbage is the Vendor's responsibility and must either be a part of the Renter's Waste Management Plan or be taken off the premises.

Infractions of The Gateway's Policies will result in expulsion and a minimum \$200.00 fine.
